

# Colours Fall

---

## RIDER

### TOURING DETAILS

The team includes 7 people;  
We are touring with one van, please provide us a safe parking space;  
We ask for a warm and covered sleeping place for both people, shower is a plus;  
Beside of any further arrangements, we accept payment in cash only.

### STAGE

The band is composed of five musicians on stage, one sound engineer & one light engineer;  
They need one hour for the soundcheck, installation included.

### CATERING / MEAL

For the catering, whatever you can offer but a least mineral water, sodas and locals botteled beers in suffisant quantity;  
For the meal, we ask for seven hot meals, served at least one hour before the show;  
Note that there are no vege/vegan and no specific food allergy;  
After the show, a bottle of brown rhum or whisky is more than welcome :)

### MERCH

In the venue, the band needs a well lighted 1m long table and wall surface for their merchandising.

# STAGE PLAN

# PATCH

| N°/CHANNEL | INSTRUMENT         | MICROPHONES                   | ADDITIONNAL                          |
|------------|--------------------|-------------------------------|--------------------------------------|
| 1          | Bass drum          | Beta58, D12, D112, RE20       | -                                    |
| 2          | Snare              | SM57                          | -                                    |
| 3          | Tom 1              | E609, SM57                    | -                                    |
| 4          | Tom 2              | E609, SM57                    | -                                    |
| 5          | OH right           | C451, SM81                    | -                                    |
| 6          | OH left            | C451, SM81                    | -                                    |
| 7          | Snare bottom*      | SM57                          | -                                    |
| 8          | Hi-Hat*            | Sm81, C1000                   | -                                    |
| 9          | Ride*              | Sm81, C1000                   | -                                    |
| 10         | Bass               | Beta58, D112, RE20, SM57, D12 | Balanced line (xlr)                  |
| 11         | Guitar 1, cab «A»  | SM57                          | -                                    |
| 12         | Guitar 1, cab «B»* | SM57                          | Optional, only if you can provide it |
| 13         | Guitar 2, cab «A»  | SM57                          | -                                    |
| 14         | Guitar 2, cab «B»* | SM57                          | Optional, only if you can provide it |
| 15         | Vox                | SM58 HF                       | Provided by band                     |
| 16         | Sampler            | DI                            | Provided by band                     |

Those microphones are our wish, if you're not able to provide them, please choose equivalents mics.  
Channels 7 to 9 and 12 + 14 marked with \* are optional, but it's always good to have them, if possible.
